

thirumagaL (Mahalakshmi) pOtri

Goddess Mahalakshmi also (revered as ThirumagaL in Tamil) showers her devotees with 16 types of *Selvam* (wealth). They are: (1) Good health sans diseases, (2) Education, (3) Money, (4) Food, (5) Beauty / good looks, (6) Fame, (7) Pride, (8) Youthfulness, (9) Knowledge, (10) Progeny (Children), (11) Strength, (12) Self-confidence, (13) Longevity, (14) Victory, (15) Good fate, (16) *Nugarchi* (destined to enjoy the above 15 *selvam* physically and mentally).

The *ThirumagaL pOtri* has been given to us by the Divine Mother Annai Adhi Parasakthi herself. Chanting this *Potri* every day in the evening, in front of Mother Mahalakshmi's picture with a simple *prasadam* (fruits, sweets, or sweet juices) generates positive vibrations at one's home. It is best to clean and light a lamp at the entrance of the home when this *pOtri* is being chanted. Conclude this worship with *arthi* and *dhoop* (incense sticks).

Note: We have tried our best to bring out the original Tamil pronunciation in this document. We suggest you read the below Potrigal along with the audio (can be downloaded as mp3 from our website <https://pallikaranaisakthi.org/downloads>) during the first few occasions.
